ABOUT

The educational goals (spiritual, physical, intellectual, cultural, emotional and social) of St. Andrew's Regional High School prepare students to become participants in a lifestyle characterized by commitment to God, neighbour and self.

Our motto, To Build in Love, states our intention to form an educational community based on wholehearted caring and mutual respect. Individual growth takes place in the context of relationships in a community.

Following Christ's invitation, we work to develop our own gifts and nurture those of others. A strong academic program coupled with an extra-curricular program in athletics, fine arts and community involvement, enables us to prepare our students to live fuller lives

Our school is located in Saanich, BC, just a 10-minute drive to Victoria's downtown core, beaches, and other attractions.

Born and raised on Vancouver Island & educated in the Island Catholic School System. Though I have traveled in Canada and to many other countries, I can't imagine myself living or working anywhere else. ICS is a welcoming, caring and supportive community. I was inspired as a child by my teachers and hope I am making a difference now in the lives of my students. My passion is inclusive education and at ICS we build in love and include all.
